READY?! LET'S DO THIS!

Bridal Bouquet

1 **Petite: \$100 - 175***

Perfectly petite for those looking for something more dainty, light, and decorative without sacrificing gorgeous focal blooms.

2 **Standard: \$150 - 250***

In our opinion, the perfect size. Like Goldie Locks would say, "Just Right!" Light enough for you to hold for all those family portraits without sacrificing size and style.

3 **Robust: \$200 - 350***

This is the perfect size for those wanting a larger, more lush bouquet, something a bit more sizable without putting your arm and back muscles to the test. We can make these bouquets larger than the image shown as well as make your bouquet a cascade.

Bridesmaids

2

This bouquet is ideal for those wanting something more traditional in size.

Ceremony Styles

1 **Ground Arrangement: \$175 - 300/ea.**
These beautiful floral “clouds” come in Small, Medium, and Large sizes. We recommend using these at your aisle entrance, down your aisle, or up at the “altar” to create a semi circle around you. Bonus points for reusing them in your reception!

2 **Arches, Circles + Chuppahs**
We have a wooden arch, wooden chuppah, Wooden circle arch, and a gold circle arch. These can each be rented for \$250.00 and adorned with flowers, greenery, or chiffon draping. Pricing varies based upon design preference but averages \$400-1,250 depending upon coverage.

3 **Urns + Pedestals**
We offer Urn + Pedestal Arrangements that are great for bookending your ceremony altar space or aisle entrance. They also make a great statement piece at your tent entrance or by a Sweetheart Table or Band Stage. Prices typically range between \$175-275/ea.

Centerpiece Styles

1 Bud Vase Tablescape - \$25/vase

A budget-friendly way to have beautiful seasonal flowers adorn your table. We recommend this style for long banquet or farm tables, but so have suggestions for using bud vases on round tables too.

*Add Candlelight for a beautiful full tablescape!

2 Low Centerpiece - Varying Sizes

We offer low centerpiece arrangements in varying sizes and vessels from glass vases that guests are welcome to take at the end of the night to beautiful footed mercury bowls and ceramic vases. Pricing varies on floral selection but are typically as follows: Small Glass Vase \$50-75, Medium Glass Bowl or Cube \$100-125, Med/Large Pedestal Bowl or Compote \$150-250.

3 High Arrangements:

Ranging from Medium to Large Arrangements, these typically cost between \$200-350. We recommend mixing highs and lows to create a beautiful depth to your reception space.

Centerpiece Styles

1 **Tray/Dish Arrangement - \$125-225**

This style of arrangement uses a Tray or Dish with floral foam to create your arrangement, alleviating any space between the table and flowers, creating a lower profile vs. a traditional low centerpiece.

2 **Single Style + Candlescape:**

Uber romantic and the coolest kind of minimal, this style is a mixture of thin budvases and candles. We usually find pricing to be \$50-80/table, Includes vases, candle hardware and wax goods and flowers.

3 **Custom!**

The styles listed here are just a sampling of the most commonly requested centerpiece styles but we are happy to research and design other styles and options for you as well!
